Subj: Billboard Ads, Bill 69

Aloha All ~

I continue to still in opposition to this idea as I do not think the projected income is worth the backlash that will surely come. This type of moving billboard is a very slippery slope which will bring you on the Council years of headaches trying to justify all of the modifications and variances that will be brought to you as the years go on. Please do not pass this law.

**Thank you,
Linda LeGrande
